R. SCOTT WARMINGTON
DEPUTY SUPERINTENDENT

March 3, 2022

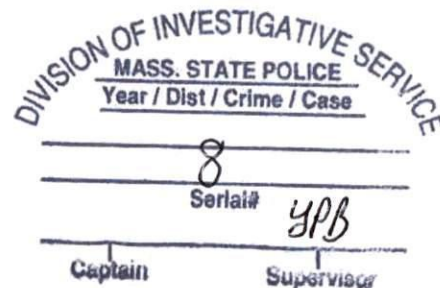

To: Detective Lieutenant Brian P. Tully #3520

From: Trooper Michael Proctor #3863

Subject: Firefighter Gregory Woodbury (DOB: (c)) at 45 Shawmut Road, Canton MA.
Re: John O'Keefe Motor Vehicle Homicide.

Case: 2022-112-033

1. On January 29, 2022 at approximately 6:04AM, the Canton Police Department received a 911 call for a male party, John O'Keefe discovered unresponsive outside of 34 Fairview Road. Canton Police, Fire and EMS responded to the scene. Firefighter Gregory Woodbury was working his regular shift when the 911 call came in. Gregory, was assigned to Station 1 located at 99 Revere Street. Gregory was operating Engine 3 when Canton Fire and EMS responded to the scene. Gregory agreed to speak with investigators and arrived at the Norfolk County District Attorney's Office on February 8, 2022 at 10:00AM.

2. Gregory has been employed by the Canton Fire Department for twenty-one years. Gregory stated the dispatch call came in as a man discovered in a snowbank and was unresponsive. Upon arrival to the scene, Gregory described the conditions as poor visibility and approximately four inches of snow on the pavement as he arrived shortly after the ambulance. Gregory stated the victim had some areas of his body brushed off from the snow but there was still a good amount on him. The victim was located approximately five to six feet from the roadway. The victim was very stiff and cold, indicating he had been there for an extended period of time.

3. Gregory began performing chest compressions and observed fluids and vomit excreting from the victim's mouth. Gregory stated the blood excreting from the victim's mouth was not congealed but liquid form and no food in the vomit. Prior to initial treatment Gregory observed the victim's face to be covered in snow. Gregory observed the victim's right eye to be swollen shut with blood in the area. Gregory stated Karen was very upset asking "Is he dead" but could not answer her as he was rendering first aid. The victim was secured in the ambulance as paramedics attempted to stabilize him for transport to the hospital.

4. Gregory stated based off the victim's injuries it did not appear to be a medical situation to him. While inside the ambulance, Paramedic Katie McLaughlin was instructed to obtain medical information, name and date of birth for the victim. Gregory stated when Katie returned she advised Karen stated, "I hit him" to the paramedics inside the ambulance. Gregory did not know if that statement Karen made meant she hit the victim with a punch. Gregory stated based off the injuries to the victim he did not believe a woman or a man could cause a traumatic arrest from a punch. Gregory arrived back to the scene approximately thirty to forty minutes later with Ambulance 2 for the section 12 call.

Respectfully submitted,

Trooper Michael D. Proctor #3863
